

VanEngelenhoven  
Agency

We do **one** thing. Insurance.

The health and well-being of our staff and customers is our primary concern. In response to a COVID-19 exposure, we have implemented several restrictions. Our lobby is closed to customer traffic; however, we do have a drop box on the exterior of the building. We also have several staff members working remotely. Please call our main line at 712-737-6000 and we will get a message where it is needed. Otherwise, emails will always be answered.
